That may then be shared between relevant tax authorities

Account Holder

The Account Holder means the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor or intermediary is not treated as holding the account for purposes of these rules and such other person is treated as holding the account. In the case of a Cash Value Insurance Contract or an Annuity Contract, the Account Holder is any person entitled to access the Cash Value or change the beneficiary of the contract. If no person can access the Cash Value or change the beneficiary, the Account Holder is any person named as the owner in the contract and any person with a vested entitlement to payment under the terms of the contract. Upon the maturity of a Cash Value Insurance Contract or an Annuity Contract, each person entitled to receive a payment under the contract is treated as an Account Holder.

Active NFE

An NFE is an Active NFE if it meets any of the criteria listed below. In summary, those criteria refer to: whether or not any of them exercises control over the activities of the trust. Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust. In the case of a legal arrangement other than a trust, "Controlling Person(s)" means persons in equivalent or similar positions.

Custodial Institution

The term "Custodial Institution" means any Entity that holds, as a substantial portion of its business, Financial Assets for the account of others. This is where the Entity's gross income attributable to the holding of Financial Assets and related financial services equals or exceeds 20% of the Entity's gross income during the shorter of: (i) the three-year period that ends on 31 December (or the final day of a non-calendar year accounting period) prior to the year in which the determination is being made; or (ii) the period during which the Entity has been in existence.

Depository Institution

The term "Depository Institution" means any Entity that accepts deposits in the ordinary course of a banking or similar business.

FATCA

FATCA stands for the Foreign Account Tax Compliance provisions, which were enacted into U.S. law as part of the Hiring Incentives to Restore Employment (HIRE) Act on March 18, 2010. FATCA creates a new information reporting and withholding regime for payments made to certain non-U.S. financial institutions and other non-U.S. entities.

Entity

The term "Entity" means a legal person or a legal arrangement, such as a corporation, organization, partnership, trust or foundation.

Financial Institution

The term "Financial Institution" means a "Custodial Institution", a "Depository Institution", an "Investment Entity", or a "Specified Insurance Company". (Please refer to the relevant definition in the form for more details)

Governmental Entity

"Governmental Entity" means the government of a jurisdiction, any political subdivision of a jurisdiction (which, for the avoidance of doubt, includes a state, province, county or municipality) or any wholly owned agency or instrumentality of a jurisdiction or of any one or more of the foregoing (each, a "Governmental Entity"). This category is comprised of the integral parts, controlled entities and political subdivisions of a jurisdiction

Explanation - For the purpose of this clause:-

(i) An "integral part" of a jurisdiction means any person, organisation, agency, bureau, fund, instrumentality or other body, however designated, that constitutes a governing authority of a jurisdiction. The net earnings of the governing authority must be credited to its own account or to other accounts of the jurisdiction, with no portion inuring to the benefit of any private person. An integral part does not include any individual who is a sovereign, official or administrator acting in a private or personal capacity.

- Active NFEs by reason of income and assets;
- Publicly traded NFEs;
- Governmental Entities, International Organizations, Central Banks, or their wholly owned Entities;
- Holding NFEs that are members of a nonfinancial group;
- Start-up NFEs;
- NFEs that are liquidating or emerging from bankruptcy;
- Treasury centers that are members of a nonfinancial group; or
- Non-profit NFEs.

An entity will be classified as Active NFE if it meets any of the following criteria:

- a) less than 50% of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
- b) the stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;
- c) the NFE is a Governmental Entity, an International Organization, a Central Bank, or an Entity wholly owned by one or more of the foregoing;
- d) substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- e) the NFE is not yet operating a business and has no prior operating history, (a "start-up NFE") but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organization of the NFE;
- f) the NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganizing with the intent to continue or recommence operations in a business other than that of a Financial Institution;
- g) the NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; or
- h) the NFE meets all of the following requirements:
 - i - it is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organization, business league, chamber of commerce, labor organization, agricultural or horticultural organization, civic league or an organization operated exclusively for the promotion of social welfare;
 - ii - it is exempt from income tax in its jurisdiction of residence;
 - iii - it has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
 - iv - the applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents do not permit any income or assets of the NFE to be distributed to, or applied for the benefit of, a private person or non-charitable Entity other than pursuant to the conduct of the NFE's charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the NFE has purchased; and
 - v - the applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents require that, upon the NFE's liquidation or dissolution, all of its assets be distributed to a Governmental Entity or other non-profit organization, or escheat to the government of the NFE's jurisdiction of residence or any political subdivision. Note: Certain entities (such as U.S. Territory NFEs) may qualify for Active NFE status under FATCA but not Active NFE status under the CRS.

Control

"Control" over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest (typically on the basis of a certain percentage (e.g. 25%)) in the Entity. Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person(s) is/are identified as exercising control of the Entity through ownership interests, then under the CRS the Reportable Person is deemed to be the natural person who hold the position of senior managing official.

Controlling Person(s)

"Controlling Persons" are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity ("Passive NFE") then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This definition corresponds to the term "beneficial owner" described in Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012). In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). Under the CRS the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, are always treated as Controlling Persons of a trust, regardless of described in sub-clause (i) of clause (f), or an Entity's gross income is primarily attributable to investing, reinvesting or trading in Financial Assets for purposes of sub-clause (ii) of clause (f), if the Entity's gross income attributable to the relevant activities equals or exceeds fifty per cent of the Entity's gross income during the shorter of (a) the three-year period ending on the 31st December of the year preceding the year in which the determination is made; or (b) the period during which the Entity has been in existence. The term "Investment Entity" does not include an Entity that is an Active NFE because it meets any of the criteria in sub-clause (iv) through (vii) of clause (a) of rule 78B. "Investment Entity located in a NonParticipating Jurisdiction and managed by another Financial Institution"
