REPORT OF THE DIRECTORS OF THE MANAGEMENT COMPANY

The Board of Directors of ABL Asset Management Company Limited, the management company of ABL Cash Fund (ABL-CF), is pleased to present the Condensed Interim Financial Statements (un-audited) of ABL Cash Fund for the half year ended December 31, 2012.

ECONOMIC PERFORMANCE REVIEW

Pakistan's economic landscape somewhat stabilized during 1HFY13, but remains prone to growing challenges on the fiscal and political front. Key economic indicators showed some resilience despite continuous poor law and order situation, mounting political noise, acute energy shortages, heavy Government spending and high international oil prices. Release of coalition support funds to the tune of USD 1.8bn rescued the weak external account and fiscal deficit situation with the current account posting a surplus of USD 250mn for 1HFY13. Provisional 1HFY13 fiscal deficit of 2.4% implied that the situation is not yet out of control, especially in the event of revenue shortfall (PKR 897bn collected vs. target of PKR 962bn) and high government subsidies ahead of elections. CPI numbers were also highly encouraging, as inflation averaged 8.32% in the first 6 month of this fiscal year compared to 10.87% during the corresponding period of last year. Controlled food inflation and Supreme Court's decision to slash CNG prices significantly contributed to the dip in CPI figures.

Taking cue from the encouraging CPI figures and steady current account situation, monetary authorities adopted a pro-growth stance, slashing the policy rate by 250bps during 1HFY13 to 9.5%. This implied that the discount rate was back in single digits after a break of 66 months. However, even such a steep decline in interest rates failed to ignite the economy or cause any excitement at the capital markets. Private sector credit off take remained subdued (PKR 74bn for 1HFY13) while Government borrowing from commercial banks escalated (PKR 746bn for 1HFY13). Overall M2 growth was witnessed at 6.98% for 1HFY13 (PKR 534bn) with NFA just about breaking even. Indeed the key area of concern was the continuous slide of the Rupee against the USD (1HFY13 depreciation 2.76%) in midst of depleting FX reserves (USD 13.8bn in December vs. USD 15.3bn at June 2012) emanating from IMF debt repayments (USD 1.2bn principal repayments during 1HFY13) and high import bill. FDI also remained disappointing at USD 563mn as poor security situation and continuous political uncertainty hampered flows. Healthy remittances recorded at USD 7.1bn (+12.5% YoY), however, provided some respite.

MUTUAL FUND INDUSTRY REVIEW

Total assets under management (AUMs) of Pakistan's open end mutual fund industry declined by 13.7% in 1HFY13 to close at PKR 309 billion in December 2012. The drop was primarily due to withdrawals by banks in Money Market and Government Securities Funds, as changes in tax rates reduced the tax efficiency of mutual funds. Fixed Income category (comprising of Income, Aggressive Income and Cash funds) registered a decline of PKR 65billion (-27%) in 1HFY13 to PKR 179 billion as at December 2012. However, lower interest rates and healthy corporate results helped equity funds to post positive growth in fund sizes as stock, balanced and asset allocation funds grew by 1.18%, 8.50% and 41.56% respectively.

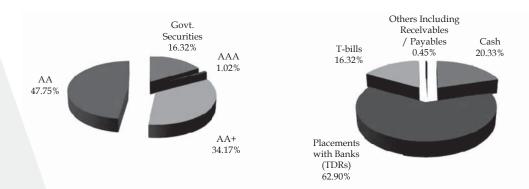

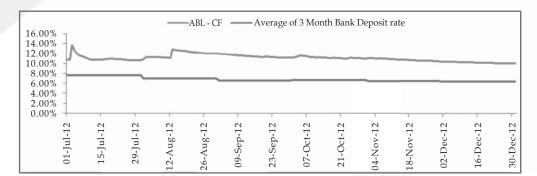

Longer duration income funds benefited the most from valuation gains resulting from rate cuts. Yet money market funds remained investor's favorites as risk appetite remained low and investor preference towards stable, low risk funds remained high. Total AUMs of the money market fund category declined by 20.4% during July-Dec 2012 period. Despite the usual year end outflows, the money market fund category finished the year at PKR 119.862 billion compared to PKR 150.495 billion in June 30, 2012.

FUND PERFORMANCE

ABL-CF outperformed its benchmark by a handsome 323 bps during 1HFY13 due to well-timed investments in high yielding short term Treasury Bills and active re-balancing. Furthermore, placement of funds in high yielding TDRs also facilitated returns. The fund also benefited from valuation gains on account of 250bps reduction in discount rate. During the half year ended December 31, 2012 the unit price of ABL-CF increased by 4.93% to close at PKR 10.5905 (cum dividend) translating into an annualized compounded return of 10.02%. AUM's fell by 40.86% to PKR 9.690 billion from PKR 16.385 billion as on June 30, 2012.

With government borrowing continuing unabated, sovereign debt instruments offered high yields which helped ABL-CF outperform its benchmark. The fund's duration was kept generally high which benefited returns in the form of capital gains during the three consecutive discount rate cuts. Treasury bills accounted for 16.32% of the fund as at Dec 2012, whereas cash balances and bank placements were 83.23%. The tilt towards bank deposits was due to better rates seasonally offered by banks at year end dates.

AUDITORS

M/s. A.F. Fergusons & Co. (Chartered Accountants), have been appointed as auditors for the year ending June 30, 2013 for ABL Cash Fund (ABL-CF).

FUND STABILITY RATING

JCR-VIS Credit Rating Company Ltd. (JCR-VIS) on January 07, 2013 revised the Fund Stability Rating of ABL Cash Fund from 'AA+(f)' (Double A Plus (f) to AA(f) (Double A (f)).

MANAGEMENT QUALITY RATING

On January 10, 2013, JCR-VIS Credit Rating Company Limited maintained the Management Quality Rating of ABL Asset Management Company Limited (ABL AMC) at 'AM 2-' (AM Two Minus). Outlook on the assigned rating has been revised from 'Stable' to 'Positive'

FUTURE OUTLOOK

We feel interest rates have bottomed out for the mean time as further easing in midst of declining FX reserves and heavy Government borrowing could have negative implications for Pakistan's overall economic health. Inflationary pressures may re-emerge and the exchange rate could depreciate significantly. Recent resumption of dialogue with the IMF, aimed at rolling over the IMF principal repayments, will be crucial in stabilizing FX reserves and the exchange rate. However, any concession offered by IMF is expected to result in imposition of strict conditions for the SBP. These conditions will primarily aim to restrict Government borrowing and higher interest rates can be used as one of the deterrent.

Keeping in view the current economic conditions, we will maintain a low duration portfolio going ahead. Sovereign debt instruments are most likely to maintain their attractiveness due to high positive real interest rates and low returns on other money market instruments. Accordingly, ABL-CF will shift its bias largely towards T-bills once bank placements mature.

ACKNOWLEDGEMENT

We thank our valued investors who have placed their confidence in us. The Board is also thankful to Securities & Exchange Commission of Pakistan, the Trustee (Central Depository Company of Pakistan Limited) and the management of Karachi Stock Exchange (Guarantee) Limited for their continued guidance and support. The Directors also appreciate the efforts put in by the management team.

INDEPENDENT AUDITORS' REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION TO THE UNIT HOLDERS

Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of ABL Cash Fund as at December 31, 2012 and the related condensed interim income statement, condensed interim distribution statement, condensed interim statement of movement in unit holders' fund and condensed interim cash flow statement together with the notes forming part thereof (herein-after referred to as the 'condensed interim financial information'), for the half year ended December 31, 2012. The Management Company (ABL Asset Management Company Limited) is responsible for the preparation and presentation of this condensed interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this condensed interim financial information based on our review. The figures of the condensed interim income statement and condensed interim statement of comprehensive income for the quarters ended December 31, 2012 and 2011 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2012.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information as of and for the half year ended December 31, 2012 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

Wherever the requirements of the Trust Deed, the NBFC Regulations or directives issued by the SECP differ with the requirements of IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP prevail.

The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of International Accounting Standard 34: 'Interim Financial Reporting'. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the published financial statements of the Fund for the year ended June 30, 2012.

In compliance with schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at December 31, 2012.

2.2 Standards, interpretations and amendments to published approved accounting standards that are effective in the current period

The following new standards and amendments to existing standards are mandatory for the first time for the financial period beginning on or after July 1, 2012:

Amendment to IFRS 7, 'Financial instruments': The amendment includes new disclosures to facilitate comparison between those entities that prepare IFRS financial statements to those that prepare financial statements in accordance with US GAAP. The adoption of this amendment did not have any impact on the Fund's condensed interim financial information.

There are certain other new standards, amendments and interpretations that became effective during the period and are mandatory for accounting periods beginning on or after July 1, 2012 but are considered not to be relevant or did not have any significant effect on the Fund's operation and are, therefore, not disclosed in the condensed interim financial information.

2.3 Standards, interpretations and amendments to published approved accounting standards, as applied in Pakistan, that are not yet effective

There are certain new standards, amendments to approved accounting standards and new interpretations that are mandatory for accounting periods beginning on or after July 1, 2013 but are considered not to be relevant or did not have any significant effect on the Fund's operation and are, therefore, not detailed in this condensed interim financial information.

Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.

The significant judgments made by management in applying the accounting policies and the key sources of estimation of uncertainty were the same as those applied to the financial statements as at and for the year ended June 30, 2012.

The financial risk management objectives and policies are consistent with those disclosed in the annual financial statements of the Fund for the year ended June 30, 2012.

7.1 The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs. 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh (SHC), challenging the applicability of WWF to the CISs, which is pending adjudication.

Subsequent to the year ended June 30, 2011, the Honourable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional and struck them down. The Management Company is hopeful that the decision of the LHC will lend further support to the Constitutional Petition which is pending in the SHC.

However, without prejudice to the above, the Management Company, as a matter of abundant caution, has decided to retain the provision for WWF amounting to Rs. 80.483 million (including Rs. 9.252 million for the current period) in this condensed interim financial information.

8 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at December 31, 2012.

9 TAXATION

The Fund's income is exempt from Income Tax as per clause (99) of part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains whether realised or unrealised is distributed amongst the unit holders. Further, as per Regulation 63 of the Non- Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute 90% of the net accounting income other than unrealized income earned by the year end to the unit holders. Accordingly, no provision in respect of taxation has been made in this condensed interim financial information.

10 EARNINGS PER UNIT (EPU)
