## REPORT OF THE DIRECTORS OF THE MANAGEMENT COMPANY

The Board of Directors of ABL Asset Management Company Limited, the management company of ABL Islamic Income Fund (ABL-IIF), is pleased to present the Audited Financial Statements of ABL Islamic Income Fund for the year ended June 30, 2016.

#### **ECONOMIC PERFORMANCE REVIEW**

Pakistan's economic landscape continued to reveal gradual improvement in FY16 underpinned by constant rout in crude oil prices, with Brent closing the year at USD49.71/bbl (down by 19.7% YoY) mainly due to excess supply and weak dynamics of global demand. The gloomy oil market continues to spell relief for Pakistan's key macroeconomic indicators like CPI and CAD. Despite positive developments and favorable law & order situation, country once again missed its economic growth target of 5.7% and registered a modest growth of 4.7%, though this is the highest rate achieved since FY09. Subpar growth in GDP can be attributed to weak commodity prices and drop in major crops (cotton & rice) which dragged agricultural growth to negative territory with a -0.2% YoY growth. However, growth in industrial (6.8% in FY16 against 4.8% in FY15) and services sector (3.3% in FY16 against 3.6% in FY15) provided some impetus to economic output. Encouragingly, IMF program, albeit with some hitches, went smoothly and government, by and large, managed to meet its performance criteria in each quarter which resulted into timely disbursements of USD 6 billion (approximately 91% of total size) under EFF program.

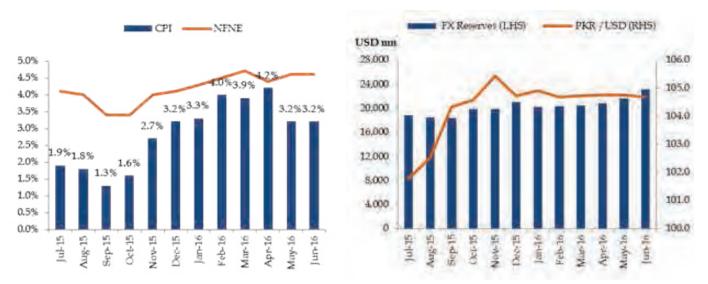

On the external front, current account deficit was narrowed by 6.8% YoY to USD2.5 billion in FY16 compared to USD2.7 billion in FY15, largely due to a decent growth of 6.4% YoY in workers' remittances to USD19.9 billion. Moreover, 18.5% YoY drop in the services deficit owing to coalition support fund's inflows helped CAD to settle at -0.9% of the GDP vs. -1.0% in FY15. On the other hand, trade deficit widen by 7.4% YoY to USD18.5 billion in FY16 compared to USD17.2 billion last year. A significant drop of 8.6% YoY in exports has swept away the benefits of low oil prices in the import bill (down by 2.0% YoY to USD40.5 billion). Weak commodity prices, subdued global demand (especially in Eurozone) and firm domestic exchange rate compared to regional currencies (REER at PKR119.2/USD) resulted drop in exports to USD22.0 billion compared to USD24.1 billion in FY15. The effect of lower CAD, steady growth in workers' remittances, inflows from IMF, euro bonds and other multilateral sources strengthened FX reserves from USD18.7 billion to USD23.1 billion in FY16. Marked improvement in FX reserves also helped the country in restricting PKR depreciation to just 3.0% YoY to close the year at PKR 104.8/USD.

State Bank of Pakistan continued its monetary easing stance amidst benign inflationary outlook and strengthening external account and slashed Discount Rate by cumulative 75bps to a 44-year low of 6.25% in order to support economic growth. Multiyear low interest rates and improved law and order situation translated into uptick in private sector credit offtake to clocked in at PKR 460.60 billion (Up  $\sim$ 106%YoY) during FY16. The total investment to GDP ratio dropped to 15.2% in FY16 as compared to 15.5% in FY15. The total savings to GDP ratio slightly increased to 14.6% in FY16 against 14.5% in FY15.

On the fiscal front, lower power subsidies (due to plunged oil prices) coupled with aggressive tax measures (Super Tax, higher tax on non-filers and mini budget announced in Dec-15) helped the government achieving its tax collection target of PKR 3.1 trillion in FY16. However, the fiscal deficit remained slightly higher at 4.45% of GDP against the target of 4.3% of GDP, though massive improvement from 5.3% in FY15. Pakistan economy is all-set to see a period of sustained economic growth with fast-track work on China Pakistan Economic Corridor (CPEC) which promises to bring USD46 billion into the economy. CPEC is expected to improve bilateral trade flows, power generation, infrastructure buildup, giving an impetus to the economy. Furthermore, multi-decade low interest rate, improving security situation and resolution of energy crisis through LNG, TAPI and IPI pipeline should boost overall economic activity going forward.

## ISLAMIC MONEY MARKET REVIEW

On the Islamic end, money market remained very liquid (placements were made 25-30 bps below 6 months Treasury bill) due to massive deposit growth of 19% (July15-Mar16). Moreover, market share of Islamic Banking Institutions deposits in overall banking deposits stood at 13.2% by end March 2016. Similarly, total assets of Islamic Banking in overall banking size were also increased to 11.4% in 9M16 compared to 10.4% in last year. During the period, Ijarah Sukuk worth of PKR 276.8 billion was matured. SBP also conducted 3 Ijarah Sukuk auctions and issued Ijarah Sukuks worth PKR 314.4 billion (PKR 37.5 billion excess of maturity amount) in order to help Islamic Banks to deploy their excess liquidity as they were in short in SLR eligible securities. During the year, SBP introduced first ever Fixed Rental Rate Ijarah Sukuk in February 2016 in order to provide diversified range of Shariah compliant investment avenues. High trading activity was witnessed in fixed rate GoP Ijarah Sukuk due to heavy demand from Islamic counters on account of cut in discount rate. Corporate Sukuks were also launched during the years (HASCOL & Short maturity Engro Fertilizer Sukuk) which were oversubscribed due to limited availability of Shariah compliant instruments at attractive rate.

M2 growth for the period clocked-in at 13.7% compared to 13.2% in SPLY. Increase in money supply was mainly attributed to increase of 23.12% (up by PKR 253 billion) in Net Domestic Assets (NDA) as credit to private sector has improved to PKR460.598 billion against PKR223.847 billion in SPLY. NFA posted a significant decline of 11.96% (PKR 193.43 billion) in FY16 from PKR 219.705b in SPLY due to muted foreign inflows during the year. Government borrowings from CBs currently stand at ~PKR 1.27 trillion against ~PKR 1.335 trillion in FY15 whereas a net amount of PKR 486 billion was retired from SBP.

## MUTUAL FUND INDUSTRY REVIEW

Total assets under management (AUMs) of Pakistan's open end mutual fund industry posted a steady growth of 12.1% in FY16 (from PKR422 billion to PKR473 billion). This growth was led by Income and aggressive fixed income fund categories. Income fund category remained in limelight on the back of continued monetary easing (cumulative 75bps cut in DR) by SBP amidst improvement in macro indicators and benign CPI outlook for FY16. Hence, it registered an increase of 21.8% in AUMs from PKR80 billion in June 2015 to PKR98 billion in June 2016. On the flip side, low interest rate scenario caused an outflow of PKR16 billion (down 23.8% YoY) from money market fund category to close the period at PKR50 billion. On

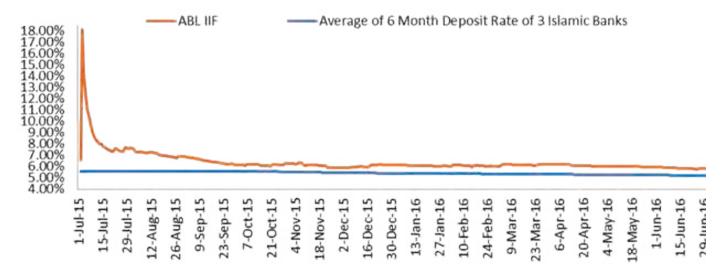

cumulative basis, the fixed income category (comprising of Income, Aggressive Income and Money Market funds) registered an increase of 4.8% YoY to close at PKR162 billion in June 2016 compared to PKR154 billion in June 2015. In line with conventional fixed income funds, Islamic Income Category was also up by 39.4% YoY to PKR30 billion, largely contributed by launch of new funds under the Islamic fund of funds category. Going forward, despite unfavorable taxes regime particularly for corporate, banks and insurance sectors, outlook is still encouraging as flow of funds in riskier assets is anticipated due to decade's low interest rates, attractive risk adjusted return and improved economic land scape.

#### **FUND PERFORMANCE**

ABL Islamic Income Fund's AUM increased substantially by 78.81% to PKR3.277 billion from PKR1.832.42 billion as on June 30, 2016. ABL IIF was among the best performing fund (2/14) in Islamic income fund category in FY16 by posting an annualized return of 5.84% compared to benchmark return of 5.10%, thus showing an outperformance of 74 bps. The outperformance was largely attributed to trading & valuation gains on Government and Corporate Sukuks. Moreover, higher accrual income from KIBOR linked instruments along with timely placements at high rate (TDRs and DPAs) also helped the fund to beat industry average by 76 bps (Industry average – 5.08%).

During the year, we focused on adding high yielding corporate Sukuks in order to remain competitive. However, we did not compromise on risk and invest only in high rated instruments. Allocation in corporate Sukuks was increased to 28.20% compared to 22.89% last year. Moreover, due to dearth of investment options in Islamic universe we increased exposure in GoP Ijarah Sukuk as we expect massive demand going ahead on account of demand for SLR eligible securities in the market. At the end of the period, fund comprised of TDRs, GoP Ijarah, Corporate Sukuks and bank deposits at 6.04%, 12.81%, 28.20% and 52.3% of total assets, respectively. The tilt towards bank deposits was due to better rates offered by banks than other investment avenues.

## **DIVIDENDS**

The Chief Executive Officer of ABL Asset Management Company Limited (ABL AMCL) on behalf of the Board of Directors has approved and declared the aggregated interim dividend distribution of Re.0.5946 per unit (5.95% of the par value of Rs.10), for the year ended June 30, 2016.

## COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE

The Board of Directors states that:

- 1. Financial Statements present fairly the state of affairs, the results of operations, cash flows and the changes in unit holder's fund;
- 2. Proper books of accounts of the Fund have been maintained.
- 3. Appropriate accounting policies have been consistently applied in the preparation of the financial statements and accounting estimates are based on reasonable and prudent judgments;

- 4. Relevant International Accounting Standards, as applicable in Pakistan, provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 & Non-Banking Finance Companies and Notified Entities Regulations, 2008, requirements of the Trust Deed and directives issued by the Securities and Exchange Commission of Pakistan, have been followed in the preparation of the financial statements;
- 5. The system of internal control is sound in design and has been effectively implemented and monitored;
- 6. There have been no significant doubts upon the Funds' ability to continue as going concern;
- 7. There has been no material departure from the best practices of corporate governance, as detailed in the listing regulations;
- 8. Performance table of the Fund is given on page # 13 of the Annual Report;
- 9. There is no statutory payment on account of taxes, duties, levies and charges outstanding other than already disclosed in the financial statements;
- 10. The statement as to the value of investments of Provident Fund is not applicable in the case of the Fund as employees retirement benefits expenses are borne by the Management Company;
- 11. There have been no trades in the units of the Fund's carried out by the Directors, CEO, CFO, CIA and the Company Secretary and their spouse excepts as disclosed below and in notes to the financial statements;

S.No.	Name	Designation	Units Issued	Units Redeemed	<b>Bonus Units</b>	Dividend Units
1 2	Mr. Farid Ahmed Khan Mr. Saqib Matin	CEO CFO & CS	70,026.51 252,886.02	984,636.34 123,757.66	177.93 1.54	- 25.24
3	Mr. Mubeen Ashraf Bhimani	CIA	976,334.84	1,089,519.05	1,274.79	-

- 12. During the year, no director on the Board attended training as required under the Code. However, four directors have obtained certification under the 'Board Development Series' program, while one director is exempt from the Director Training Program under the Code. The directors are well conversant with the relevant laws applicable to the Fund and the Management Company, its policies and procedures and provisions of memorandum and articles of association and are aware of their duties and responsibilities.
- 13. Meeting of the Board of Directors of the Management Company are held at least once in every quarter. During the year five meeting were held. The 43rd, 44th, 45th, 46th and 47th Board of Directors meetings were held on August 27, 2015, October 30, 2015, December 16, 2015, February 08, 2016 and April 27, 2016 respectively. Information in respect of attendance by the directors and other persons in the meetings is given below:

#### **AUDITORS**

M/s. Deloitte Yousuf Adil (Chartered Accountants), on the recommendation of the Audit Committee of the Board of Directors being eligible for re-appointment have been appointed as auditors for the year ending June 30, 2017 for ABL Islamic Income Fund (ABL-IIF).

#### **FUND STABILITY RATING**

JCR-VIS Credit Rating Company LTD. (JCR-VIS) on December 31, 2015 has reaffirmed the Fund Stability of ABL Islamic Income Fund at 'A(f)' (Single A (f)).

## MANAGEMENT QUALITY RATING

On May 04, 2016, JCR-VIS Credit Rating Company Limited has harmonized its notations for the Management Quality Rating of ABL Asset Management Limited (ABL AMC) at 'AM Two Plus' (AM2+). Outlook on the assigned rating is 'Stable'.

#### **OUTLOOK AND STRATEGY**

Economic growth is set to increase further during FY17 as government is largely on track with its economic agenda to resolve energy crises in the country and increasing developmental spending under CPEC. Inflation outlook for the next year remains benign owing to weak commodity prices in the global markets. However, some risks which could hamper the growth momentum such as continuous decline in exports, fiscal slippages post completion of IMF program, weak outlook of remittances due to global economic slowdown and abrupt recovery of international commodity prices cannot be ruled out.

Based on the above assumptions, we believe SBP will maintain a stable rate policy in FY17 on the back of healthy FX reserves, soft inflation outlook & improving macros. Hence, we will remain invested in high yielding corporate and GoP Sukuks to post stable returns with a high probability of capital gains on overall Sukuk portfolio due to heavy demand for Shariah compliant instruments. Moreover, we will continue to add high quality Corporate Sukuks against cash in order to provide best risk adjusted returns in the industry.

#### **ACKNOWLEDGEMENT**

We thank our valued investors who have placed their confidence in us. The Board is also thankful to Securities & Exchange Commission of Pakistan, the Trustee (Central Depository Company of Pakistan Limited) and the management of Pakistan Stock Exchange Limited for their continued guidance and support. The Directors also appreciate the efforts put in by the management team.

For & on behalf of the Board

Karachi, August 17, 2016

Syed Khalid Hussain Chief Executive Officer

## **FUND MANAGER REPORT**

## **OBJECTIVE**

To provide investors, with an opportunity to earn higher income over medium to long-term by investing in a diversified portfolio consisting of different Money market and debt instruments permissible under the Shariah principles.

## ISLAMIC MONEY MARKET REVIEW

On the Islamic end, money market remained very liquid (placements were made 25-30 bps below 6 months Treasury bill) due to massive deposit growth of 19% (July15-Mar16). Moreover, market share of Islamic Banking Institutions deposits in overall banking deposits stood at 13.2% by end March 2016. Similarly, total assets of Islamic Banking in overall banking size were also increased to 11.4% in 9M16 compared to 10.4% in last year. During the period, Ijarah Sukuk worth of PKR 276.8 billion was matured. SBP also conducted 3 Ijarah Sukuk auctions and issued Ijarah Sukuks worth PKR 314.4 billion (PKR 37.5 billion excess of maturity amount) in order to help Islamic Banks to deploy their excess liquidity as they were in short in SLR eligible securities. During the year, SBP introduced first ever Fixed Rental Rate Ijarah Sukuk in February 2016 in order to provide diversified range of Shariah compliant investment avenues. High trading activity was witnessed in fixed rate GoP Ijarah Sukuk due to heavy demand from Islamic counters on account of cut in discount rate. Corporate Sukuks were also launched during the years (HASCOL & Short maturity Engro Fertilizer Sukuk) which were oversubscribed due to limited availability of Shariah compliant instruments at attractive rate.

M2 growth for the period clocked-in at 13.7% compared to 13.2% in SPLY. Increase in money supply was mainly attributed to increase of 23.12% (up by PKR 253 billion) in Net Domestic Assets (NDA) as credit to private sector has improved to PKR460.598 billion against PKR223.847 billion in SPLY. NFA posted a significant decline of 11.96% (PKR 193.43 billion) in FY16 from PKR 219.705b in SPLY due to muted foreign inflows during the year. Government borrowings from CBs currently stand at ~PKR 1.27 trillion against ~PKR 1.335 trillion in FY15 whereas a net amount of PKR 486 billion was retired from SBP.

#### **FUND PERFORMANCE**

Year 2016 turned out be another successful year for ABL Islamic Income Fund (ABL IIF) in terms of both return performance and AUMs. The Fund performed exceptionally well and ranked among the best performing fund in Islamic Income Fund category (2/14). On YTD basis, ABL IIF posted an annualized return of 5.84% against the benchmark (Average of 6 Month Deposit Rate of 3 Islamic Banks) performance of 5.10%, outperformed the benchmark by 74 bps owing to active portfolio management & trading gains on Corporate and Government Sukuks. Moreover, higher accruals from bank deposits also helped the fund to beat the peer average (5.08%) by 76 bps. As on June 30, 2015 assets under management of ABL IIF were increased by 78.81% to PKR 3.276 billion.

During the period under review, SBP introduced Fixed Rental Rate Ijarah Sukuk against the huge maturities of PKR 276 billion (Ijarah Sukuk 9 to 14) in order to counter shortage of SLR eligible securities in the market. However, despite 3 Ijarah auctions (1 Floating rate and 2 Fixed Rate Sukuks) worth PKR 314.3 billion demand for Sukuks remained on the higher side owing to exceptional deposit growth of Islamic Banks. Money market was also fairly liquid and deal initiated under Bai Muajjal transactions were executed 25-30 bps below 6 months T-Bill rate.

Before the year end, we offloaded GoP Ijarah Sukuk 16 and 17 to book capital gains and placed the cash in bank deposits in order to take advantage of higher rates offered by banks on account of year end. Asset allocation as % of total assets comprised of Cash at Bank, Corporate Sukuks, GoP Ijarah Sukuks and TDRs at 52.30%, 28.20%, 12.81% and 6.04%, respectively. WAM of the portfolio also reduced to 341 days from 423 days in SPLY.

The Scheme has maintained the provisional asset against Workers' welfare Fund's Liability to the tune of Rs. 9.812 million, Had the same not been made, the NAV per unit of the scheme would have been higher by Rs. 0.0300 per unit

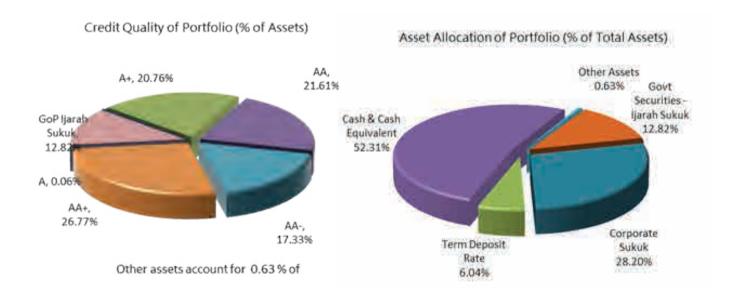

## FUTURE OUTLOOK AND STRATEGY

Economic growth is set to increase further during FY17 as government is largely on track with its economic agenda to resolve energy crises in the country and increasing developmental spending under CPEC. Inflation outlook for the next year remains benign owing to weak commodity prices in the global markets. However, some risks which could hamper the growth momentum such as continuous decline in exports, fiscal slippages post completion of IMF program, weak outlook of remittances due to global economic slowdown and abrupt recovery of international commodity prices cannot be ruled out.

Based on the above assumptions, we believe SBP will maintain a stable rate policy in FY17 on the back of healthy FX reserves, soft inflation outlook & improving macros. Hence, we will remain invested in high yielding corporate and GoP Sukuks to post stable returns with a high probability of capital gains on overall Sukuk portfolio due to heavy demand for Shariah compliant instruments. Moreover, we will continue to add high quality Corporate Sukuks against cash in order to provide best risk adjusted returns in the industry.

## TRUSTEE REPORT TO THE UNIT HOLDERS

## ABL ISLAMIC INCOME FUND

Report of the Trustee pursuant to Regulation 41(h) and clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We Central Depository Company of Pakistan Limited, being the Trustee of ABL Islamic Income Fund (the Fund) are of the opinion that ABL Asset Management Company Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2016 in accordance with the provisions of the following:

- Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Muhanmad Hanif Jakhura

Chief Executive Officer

Central Depository Company of Pakistan Limited

Karachi: September 15, 2016

Aug 15, 2016

The purpose of this report is to provide an opinion on the Shariah Compliance of the Fund's investment and operational activities with respect to Shariah guidelines provided.

It is the core responsibility of the Management Company to operate the Fund and invest the amount of money in such a manner which is in compliance with the Shariah principles as laid out in the Shariah guidelines. In the capacity of the Shariah Advisor, our responsibility lies in providing Shariah guidelines and ensuring compliance with the same by review of activities of the fund. We express our opinion based on the review of the information, provided by the management company, to an extent where compliance with the Shariah guidelines can be objectively verified.

Our review of Fund's activities is limited to enquiries of the personnel of Management Company and various documents prepared and provided by the management company.

Keeping in view the above; we certify that:

We have reviewed all the investment and operational activities of the fund including all transaction and found them to comply with the Shariah guidelines. On the basis of information provided by the management company, all operations of the fund for the year ended June 30, 2016 comply with the provided Shariah guidelines. Therefore, it is resolved that investments in ABL Islamic Income Fund (ABL-IIF) are halal and in accordance with Shariah principles.

May Allah (SWT) bless us and forgive our mistakes and accept our sincere efforts in accomplishment of cherished tasks and keep us away from sinful acts.

Mufti Irshad Ahmad Aijaz Shariah Advisor

# INDEPENDENT ASSURANCE REPORT TO THE UNIT HOLDERS ON THE STATEMENT OF COMPLIANCE WITH THE SHARIAH PRINCIPLES

We have performed an independent assurance engagement of **ABL Islamic Income Fund** (the Fund), to express an opinion on the annexed Statement of Compliance with the Shariah Principles (the Statement) for the year ended June 30, 2016. Our engagement was carried out as required under clause 3A.3 of the Trust Deed of the Fund.

#### Management Company's responsibility

The Management Company of the Fund is responsible for the preparation of the annexed statement (the subject matter) and for compliance with the Shariah Principles specified in the Trust Deed and the guidelines issued by the Shariah Advisor. This responsibility includes designing, implementing and maintaining internal control to ensure that operations of the Fund and the investments made by the Fund are in compliance with the Shariah Principles.

## Responsibility of an independent assurance provider

Our responsibility is to express our conclusion on the Statement based on our independent assurance engagement, performed in accordance with the International Standards on Assurance Engagement (ISAE 3000) 'Assurance Engagements other than Audits or Reviews of Historical Financial Information'. This standard requires that we comply with ethical requirements and plan and perform the engagement to obtain reasonable assurance whether the annexed statement reflects the status of the Fund's compliance with the Shariah Principles specified in the Trust Deed and the guidelines issued by the Shariah Advisor (criteria).

The procedures selected depend on our judgment, including the assessment of the risks of material non-compliances with the Shariah Principles.

In making those risk assessments, we have considered internal controls relevant to the Fund's compliance with the principles in order to design procedures that are appropriate in the circumstances, for gathering sufficient appropriate evidence to determine that the Fund was not materially non-compliant with the principles. Our engagement was not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Amongst others, our scope included procedures to:

- · Check compliance of specific guidelines for making investments of the Fund; and
- Check that the Shariah Advisor has certified that the operations of the Fund and investments made by the Fund during the year ended June 30, 2016 are in compliance with the Shariah Principles.

#### Conclusion

In our opinion, the annexed statement, in all material respects, presents fairly the status of the Fund's compliance with the Shariah principles specified in the Trust Deed and the guidelines issued by the Shairah Advisor for the year ended June 30, 2016.

# REVIEW REPORT TO THE UNIT HOLDERS ON THE STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

We have reviewed the enclosed Statement of Compliance (the Statement) with the best practices contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors (the Board) of ABL Asset Management Company Limited, the Management Company of **ABL Islamic Income Fund (the Fund)** for the year ended June 30, 2016 to comply with Regulation No. 5.19 of the Rule Book of the Pakistan Stock Exchange Limited, where the Fund is listed.

The responsibility for compliance with the Code is that of the Board of Directors of the Management Company of the Fund. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement reflects the status of the Fund's compliance with the provisions of the Code and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Management Company's personnel and review of various documents prepared by the Management Company to comply with the Code.

As part of our audit of financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risk and controls, or to form an opinion on the effectiveness of such internal controls, the Management Company's corporate governance procedures and risks.

The Code requires the Management Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board for their review and approval the Fund's related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length prices recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of approval of the related party transactions by the Board upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length prices or not.

Based on our review, nothing has come to our attention, which causes us to believe that the Statement does not appropriately reflect the Fund's compliance, in all material respects, with the best practices contained in the Code as applicable to the Fund for the year ended June 30, 2016.

# STATEMENT OF COMPLIANCE BY ABL ISLAMIC INCOME FUND WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2016

This statement is being presented to comply with the Code of Corporate Governance ("the Code") contained in Regulation No. 5.19 of the listing regulations of the Pakistan Stock Exchange Limited for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of Corporate Governance.

The Board of Directors ("the Board") of ABL Asset Management Company Limited ("the Management Company"), an un-listed public company, manages the affairs of ABL Islamic Income Fund ("the Fund"). The Fund, being a unit trust open ended scheme, does not have its own Board of Directors. The Management Company has applied the principles contained in the Code to the Fund, whose units are listed as a security on the Pakistan Stock Exchange, in the following manner:

1. The Management Company encourages representation of independent, non-executive directors. At June 30, 2016 the Board includes:

Category	Name
Independent Directors	Mr. Kamran Nishat Mr. Muhammad Kamran Shehzad
Non-Executive Directors	Sheikh Mukhtar Ahmed Mr. Mohammad Naeem Mukhtar Mr. Muhammad Waseem Mukhtar Mr. Tariq Mahmood
Executive Director	Mr. Farid Ahmed Khan *

\*Mr. Farid Ahmed Khan, Chief Executive Officer (CEO) / Director, has tendered his resignation on May 18, 2016. He has resigned effective from July 15, 2016. Mr. Syed Khalid Hussain has been appointed as the CEO of the company with effect from July 16, 2016.

The independent directors meets the criteria of independence under clause 5.19.1. (b) of the Code.

- 2. The directors have confirmed that none of them is serving as a director on more than seven listed companies, including the Management Company.
- 3. All the resident directors of the Management Company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFI or, being a broker of a stock exchange, has been declared as a defaulter by that stock exchange.
- 4. During the year no casual vacancy occurred on the Board. Subsequent to year end, Mr Farid Ahmed Khan, Chief Executive Officer tendered his resignation effective from July 15, 2016. Mr Syed Khalid Hussain has been appointed as the CEO of the Company with effect from July 16, 2016.
- 5. The Management Company has prepared a 'Code of Conduct' and has ensured that appropriate steps have been taken to disseminate it throughout the Management Company along with its supporting policies and procedures.
- 6. The Board of Directors of the Management Company has developed a vision / mission statement, overall corporate strategy and significant policies of the Fund. A complete record of particulars of significant policies along with the dates on which these were approved or amended has been maintained.

- 7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO, other executive and non-executive directors have been taken by the Board.
- 8. The meetings of the Board were presided over by the Chairman except for the meeting held on February 08, 2016, which was presided by Mr. Mohammad Naeem Mukhtar and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
- As at June 30, 2016, four directors have obtained certification under the 'Board Development Series' while one director is exempt from the Director Training Program under the Code. The Management Company will arrange training program for the remaining directors by June 30, 2018. The directors are well conversant with the relevant laws applicable to the Fund and the Management Company, its policies and procedures and provisions of memorandum and articles of association and are aware of their duties and responsibilities.
- 10. The Chief Financial Officer (CFO), the Company Secretary and the Head of Internal Audit continued their services and no change in these positions were made during this financial year.
- 11. The Directors' Report of the Fund for the year ended June 30, 2016 has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
- 12. The financial statements of the Fund were duly endorsed by the CEO and CFO of the Management Company before approval of the Board.
- 13. The directors, CEO and executives do not hold any interest in the units of the Fund other than those disclosed in the Directors' Report, pattern of unit holding and notes to the financial statements.
- 14. The Management Company has complied with all the applicable corporate and financial reporting requirements of the Code.
- 15. The Board has formed an Audit Committee. It comprises of three members, all of whom are non-executive directors of the Management Company, including the Chairman of the Committee who is an independent director.
- 16. The meetings of the Audit Committee were held once in every quarter and prior to the approval of interim and final results of the Fund as required by the Code. The terms of reference of the Audit Committee have been approved in the meeting of the Board and the Committee has been advised to ensure compliance with those terms of reference.
- 17. The Board has formed Human Resource and Remuneration Committee. It comprises three members, of whom two are non-executive directors and the chairman of the Committee is a non-executive director.
- 18. The Board has set up an effective internal audit function within the Management Company.
- 19. The statutory auditors of the Fund have confirmed that they have been given a satisfactory rating under the quality control review program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partner of the firm, their spouse and minor children do not hold units of the Fund and that the firm and all its partners are in compliance with the International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by ICAP.
- 20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- 21. The "closed period', prior to the announcement of interim / final results, and business decisions, which may materially affect the NAV of the Fund's units, was determined and intimated to directors, employees and the Stock Exchange.
- 22. Material / price sensitive information has been disseminated among all market participants at once through the Stock Exchange.
- 23. As per the Code, a mechanism was required to be put in place for an annual evaluation of the Board within two years of coming into effect of the Code i.e., April 2014. The mechanism is in place and annual evaluation of the Board has been done accordingly.
- 24. We confirm that all other material principles enshrined in the Code have been complied with.

For & on behalf of the Board

Wannan -

Syed Khalid Hussain

Chief Executive Officer

Karachi, August 17, 2016

## INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS

## Report on the Financial Statements

We have audited the accompanying financial statements of **ABL Islamic Income Fund** (the Fund), which comprise the statement of assets and liabilities as at June 30, 2016, and the related income statement, distribution statement, statement of movement in unit holders' fund and cash flow statement for the year ended June 30, 2016, and a summary of significant accounting policies and other explanatory notes.

## Management Company's Responsibility for the Financial Statements

ABL Asset Management Company Limited (the Management Company) is responsible for the preparation and fair presentation of these financial statements in accordance with approved accounting standards as applicable in Pakistan, and for such internal control as the Management Company determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's Internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Management Company, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at June 30, 2016, and of its financial performance, cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

## Report On Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared, in all material respects, in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and Non-Banking Finance Companies and Notified Entities Regulations, 2008.

#### Other Matter

The annual financial statements of the Fund for the year ended June 30, 2015 were audited by another firm of Chartered Accountants whose report dated September 19, 2015 expressed an unqualified opinion thereon.

For ABL Asset Management Company Limited (Management Company)

SYED KHALID HUSSAIN Chief Executive Officer MUHAMMAD KAMRAN SHEHZAD Director

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

## FOR THE YEAR ENDED JUNE 30, 2016

## 1. LEGAL STATUS AND NATURE OF BUSINESS

ABL Islamic Income Fund (the Fund) was established under a Trust Deed executed on June 23, 2010 between ABL Asset Management Company Limited (ABL AMCL) as the Management Company and the Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed was executed in accordance with the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations). The Fund commenced its operations on July 31, 2010.

The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies (Establishment and Regulations) Rules, 2003 (NBFC Rules) through a certificate issued by the Securities and Exchange Commission of Pakistan (SECP) on December 7, 2007, which was renewed on November 26, 2013. The registered office of the Management Company is situated at 11-B, Lalazar, M.T. Khan Road, Karachi.

1.2 The Fund is an open-ended mutual fund and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are offered to the public for subscription on a continuous basis. The units are transferable and redeemable by surrendering them to the Fund.

The Fund has been categorized as an open-ended Shariah compliant (Islamic) income scheme as per the criteria laid down by the SECP for categorisation of Collective Investment Schemes (CISs).

The objective of the Fund is to invest in liquid Shariah compliant instruments like Shariah compliant government securities, cash and near cash instruments.

- **1.3** JCR-VIS Credit Rating Company has assigned management quality rating of AM2+ (stable outlook) to the Management Company as at May 4, 2016 and a fund stability rating of A(f) to the Fund as at December 31, 2015.
- **1.4** The title to the assets of the Fund is held in the name of Central Depository Company of Pakistan Limited as trustee of the Fund.

#### 2. BASIS OF PREPARATION

## 2.1 Statement of compliance

These financial statements have been prepared in accordance with the approved accounting standards as applicable in Pakistan. The approved accounting standards comprise of such International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations and the directives issued by the SECP. Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP differ with the requirements of IFRSs, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP shall prevail.

## 2.2 New / Revised standards that are effective in the current year for the year ended June 30, 2016

The following new / revised standards are effective for the year ended June 30, 2015. These standards are, either not relevant to the Fund's operations or are not expected to have significant impact on the Fund's financial statements other than certain additional disclosures:

- -IFRS 10 'Consolidated Financial Statements'
- IFRS 11 'Joint Arrangements'
- -IFRS 12 'Disclosure of Interests in Other Entities'
- -IAS 27 (Revised 2011) 'Separate Financial Statements'
- -IAS 28 (Revised 2011) 'Investments in Associates and Joint Ventures'

In addition to above standards, IFRS 13 'Fair Value Measurement' also became effective in the current year. IFRS 13 consolidates the guidance on how to measure fair value, which was spread across various IFRSs, into one comprehensive standard. It introduces the use of an exit price, as well as extensive disclosure requirements, particularly the inclusion of non-financial instruments into the fair value hierarchy. The application of IFRS 13 did not have an impact on the financial statements of the Fund, except certain additional disclosures (refer note 5.1 and 25).

## 2.3 Amendments to published approved accounting standards that are not yet effective

The following amendments to approved accounting standards are effective for accounting periods, beginning on or after the date mentioned against each of them. These amendments are either not relevant to the Fund's operations or are not expected to have significant impact on the Fund's financial statements other than certain additional disclosures:

		Effective Date (accounting periods beginning on or after)
-	Amendments to IFRS 2 'Share-based Payment' - Clarification on the	
	classification and measurement of share-based payment transactions	January 1, 2018
-	Amendments to IFRS 10 'Consolidated Financial Statements', IFRS 12	
	'Disclosure of Interests in Other Entities' and IAS 28 'Investments in	
	Associates and Joint Ventures' - Applying the consolidation exception	January 1, 2016
-	Amendments to IFRS 11 'Joint Arrangements' - Amendments	
	regarding the accounting for acquisitions for an interest in a joint venture	January 1, 2016
-	Amendments to IAS 1 'Presentation of Financial Statements' -	
	Amendments as a result of the disclosure initiative	January 1, 2016
-	Amendments to IAS 7 'Statement of Cash Flows' - Amendments	
	as a result of the disclosure initiative	January 1, 2017
-	Amendments to IAS 12 'Income Taxes' - Recognition of deferred	
	tax assets for unrealised losses	January 1, 2017
-	Amendments to IAS 16 'Property, Plant and Equipment' and IAS 38	
	'Intangible Assets' - Clarification of acceptable methods of depreciation	
	and amortization	January 1, 2016
-	Amendments to IAS 16 'Property, Plant and Equipment' and IAS 41	
	'Agriculture' - Bearer plants	January 1, 2016
-	Amendments to IAS 27 'Separate Financial Statements' - Equity	
	method in separate financial statements	January 1, 2016

In addition to the above, the following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan:

- IFRS 1 First Time Adoption of International Financial Reporting Standards
- IFRS 9 Financial Instruments
- IFRS 14 Regulatory Deferral Accounts
- IFRS 15 Revenue from Contracts with Customers
- IFRS 16 Leases

## 2.4 Critical accounting estimates and judgments

The preparation of the financial statements in conformity with the approved accounting standards requires management to make estimates, judgements and assumptions that affect the reported amount of assets, liabilities, income and expenses. It also requires management to exercise judgement in application of its accounting policies. The estimates, judgements and associated assumptions are based on the historical experience and various other factors that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the year in which the estimates are revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the financial statements as a whole are as follows:

- i) Classification and valuation of investment (notes 3.2 and 5)
- ii)Impairment of financial assets (note 3.2.5)

## 2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for certain investments which have been carried at fair value.

## 2.6 Functional and presentation currency

Items included in these financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees which is the Fund's functional and presentation currency.

## 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below and have been consistently applied to all the years presented unless otherwise stated.

## 3.1 Cash and cash equivalents

Cash and cash equivalents comprise balances with banks and other short-term highly liquid investments with original maturities of three months or less.

#### 3.2 Financial assets

## 3.2.1 Classification

The Management Company determines the classification of the Fund's financial assets at initial recognition and re-evaluates this classification on a regular basis. The Management Company classifies the financial assets of the Fund in following categories:

## a) Financial assets at fair value through profit or loss

These financial assets are acquired principally for the purpose of generating profit from short-term fluctuations in prices.

## b)Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

#### c) Available for sale

These are non-derivative financial assets that are designated as available for sale or are not classified as (a) financial assets at fair value through profit or loss or (b) loans and receivables. These are intended to be held for an indefinite period of time and may be sold in response to the needs for liquidity or change in price.

## 3.2.2 Regular way contracts

Regular purchases and sales of financial assets are recognised on the trade date - the date on which the Fund commits to purchase or sell the asset.

## 3.2.3 Initial recognition and measurement

Financial assets are initially recognised at fair value plus transaction costs except for financial assets carried "at fair value through profit or loss". Financial assets carried at fair value through profit or loss are initially recognised at fair value while the related transaction costs are expensed out in the income statement.

## 3.2.4 Subsequent measurement

## a) Financial assets at fair value through profit or loss and available for sale

Subsequent to initial recognition, financial assets classified as "at fair value through profit or loss" and "available for sale" are valued as follows:

#### - Basis of valuation of debt securities

Debt securities (comprising any security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital and includes term finance certificates, bonds, debentures, sukuks and commercial papers etc.) are valued on the basis of rates determined by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the SECP for the valuation of debt securities. While determining the rates, MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The methodology also specifies the valuation process to be followed for each category as well as the criteria for the provisioning of non-performing debt securities.

## - Basis of valuation of government securities

Government securities are valued on the basis of rates published by Mutual Funds Association of Pakistan (MUFAP).

Net gains and losses arising from changes in the fair value and on sale of financial assets carried "at fair value through profit or loss" are taken to the income statement.

Net gains and losses arising from changes in the fair value of "available for sale" financial assets are taken to the other comprehensive income until these are derecognised or impaired. Upon derecognition, the cumulative gain or loss previously recognised directly in the unit holders' fund is shown as part of net income for the year.

## b)Loans and receivables

Subsequent to initial recognition, financial assets classified as 'loans and receivables' are carried at amortized cost using the effective interest method.

Gains or losses are also recognised in the income statement when the financial assets carried at amortized cost are derecognised or impaired.

## 3.2.5 Impairment

The Management Company assesses at each reporting date whether there is an objective evidence that the Fund's financial assets or a group of financial assets are impaired. If any such indication exists, the recoverable amount of such asset is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

The amount of provision for certain debt securities is determined based on the provisioning criteria specified by the SECP. For certain other financial assets, a provision for impairment is established when there is an objective evidence that the Fund will not be able to collect all amounts due according to the original terms. The provision against the amount is made as per the provisioning policy duly formulated and approved by the Board of Directors of the Management Company. The amount of the provision is the difference between the asset's carrying value and present value of estimated future cash flows, discounted at original effective interest rate.

## 3.2.6 Derecognition

Financial assets are derecognised when the right to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all the risks and rewards of ownership.

#### 3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair value and subsequently stated at amortized cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

## 3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

## 3.5 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs have been amortized over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund and the NBFC Regulations.

## 3.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and

a reliable estimate of the amount of obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

## 3.7 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders (excluding distribution made by issuance of bonus units).

The Fund is also exempt from the provisions of Section 113 (minimum tax) and Section 113C (Alternative Corporate Tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

The Fund provides for deferred taxation using the balance sheet liability method on all major temporary differences between the amounts used for financial reporting purposes and amounts used for taxation purposes. In addition, the Fund also records deferred tax asset on unutilised tax losses to the extent that it is no longer probable that the related tax benefit will be realised. However, the Fund has not recognised any amount in respect of deferred tax in these financial statements as the Fund intends to continue availing the tax exemption in future years by distributing in cash at least ninety percent of its accounting income for the year as reduced by capital gains, whether realised or unrealised, to its unit holders.

## 3.8 Proposed distributions

Distributions declared subsequent to the year-end are considered as non-adjusting events and are recognised in the year in which such distributions are declared.

## 3.9 Issue and redemption of units

Units issued are recorded at the offer price as per constitutive documents. The offer price is determined by the Management Company after realisation of subscription money.

The offer price represents the net asset value per unit as of the close of the business day. The Fund also recovers the allowance for sales load, provision for transaction costs and any provision for duties and charges, if applicable.

Units redeemed are recorded at the redemption price, as per the constitutive documents, applicable to units for which the distributors receive redemption requests during business hours of that day. The redemption price represents the net asset value per unit as of the date the units are so redeemed less any back-end load, provision for transaction costs and any provision for duties and charges, if applicable.

# 3.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the 'element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

The Fund records that portion of the net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during an accounting year which pertains to unrealised gains / (losses) held in the unit holders' funds in separate account and any amount remaining in this reserve account at the end of an accounting period (whether gain or loss) is included in the amount available for distribution to the unitholders. The remaining

portion of the net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during an accounting period is recognised in the income statement.

## 3.11 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the statement of assets and liabilities, is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

## 3.12 Revenue recognition

- -Realised capital gains / (losses) arising on sale of investments are included in the income statement on the date at which the sale transaction takes place.
- -Unrealised gain / (loss) in the value of investments classified as 'Financial assets at fair value through profit or loss' are included in the income statement in the year in which they arise.
- -Profit on bank deposits is recognised on accrual basis.
- Income on government securities, debt securities and certificate of deposits is recognised on an accrual basis, using the effective interest rate.

Preliminary expenses and floatation costs		-	645
Sales load payable to the Management Company		17	128
Operational expenses	9.4	844	-
		13,320	7,637

- 9.1 Under the provisions of the NBFC Regulations, the Management Company of the Fund is entitled to a remuneration of an amount not exceeding 1% of the average daily net assets of the Fund. During the year, the Management Company charged 1% of the average daily net assets as management fee.
- 9.2 The Government of Sindh has levied Sindh Sales Tax at the rate of 14% (2015: 15%) on the remuneration of the Management Company through the Sindh Sales Tax on Services Act, 2011 (as amended from time to time).
- 9.3 Through Finance Act 2013, Federal Excise Duty (FED) was made applicable at the rate of 16% on the remuneration of the Management Company, effective from June 13, 2013. The Management Company is of the view that since the remuneration is already subject to the provincial sales tax as explained in note 9.2, further levy of FED results in double taxation, which does not appear to be the spirit of the law.

The matter has been collectively taken up by the Management Company jointly with other Asset Management Companies and Trustees of respective Collective Investment Schemes (CISs), through a Constitutional Petition filed in the Honorable Sindh High Court (SHC) during September 2013. In this respect, the SHC had issued a stay order against the recovery of FED due to which the Fund has not made any payments for FED upto June 30, 2016.

On June 30, 2016 the Honorable Sindh High Court of Pakistan has passed the Judgment that after 18th amendment in the Constitution of Pakistan, the Provinces alone have the legislative power to levy a tax on rendering or providing services therefore chargeability and collection of Federal Excise Duty after July 01, 2011 is Ultra Vires to the Constitution of Pakistan.

Teres 20

T----- 20

The Management Company, as a matter of abundant caution, has not reversed the provision of FED aggregating to Rs. 8.366 million, as the Federal Board of Revenue may file an appeal with the Honorable Supreme Court of Pakistan against the Judgment passed by Honorable Sindh High Court of Pakistan. Had the provision not been made, the net asset value per unit of the Fund as at June 30, 2016 would have been higher by Re. 0.0256 (2015: Re. 0.0241) per unit.

Further, through Finance Act, 2016, FED on services rendered by Non-Banking Financial Institutions (NBFIs) including Asset Management Companies, which are already subject to provincial sales tax, has been withdrawn. Therefore, from the ensuing financial year, provision for FED will not be required.

This represents reimbursement of certain expenses to the Management Company. As per regulation 60(3)(s) of the amended NBFC Regulations dated November 25, 2015, fee and expenses pertaining to registrar services, accounting, operations and valuation services related to a Collective Investment Scheme (CIS) are chargeable to the scheme, maximum upto 0.1% of the average annual net assets or the actual cost whichever is lower. Accordingly, the Management Company has charged 0.1% of the average annual net assets, being the lower amount, to the Fund with effect from April 1, 2016.

10.1 The Trustee is entitled to a monthly remuneration for the services rendered to the Fund under the provisions of the Trust Deed as per the tariff specified therein, based on the daily net assets of the Fund. The remuneration is paid to the Trustee monthly in arrears.

## Net Assets Value Tariff per annum

The tariff structure applicable to the Fund as at June 30, 2016 and June 30, 2015 was as follows:

Upto Rs. 1 billion 0.17 percent per annum of net assets value

Rs. 1 billion to Rs. 5 billion

Rs. 1.7 million plus 0.085 percent per annum of net assets exceeding Rs. 1 billion

Over Rs. 5 billion

Rs. 5.1 million plus 0.07 percent per annum of net assets exceeding Rs. 5 billion

10.2 The Government of Sindh has levied Sindh Sales Tax at the rate of 14% (2015: Nil) on the remuneration of the Trustee through the Finance Act. 2015.

#### 12.1 Provision for Workers' Welfare Fund

12.

The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment, it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs. 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this connection, a constitutional petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh (SHC), challenging the applicability of WWF to the CISs, which is pending adjudication.

In August 2011, the Honorable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance through the Finance Act, 2006 and the Finance Act, 2008, had declared the said amendments as unlawful and unconstitutional. In March 2013, a larger bench of SHC passed an order declaring that the amendments introduced in the WWF Ordinance through the Finance Act, 2006 and Finance Act, 2008 do not suffer from any constitutional or legal infirmity. However, the constitutional petition, as mentioned above, challenging the applicability of WWF on mutual funds is still pending adjudication. The Management Company has considered the implications of above judgment of SHC and is of the view that the matter will eventually be settled in its favor and WWF will not be levied on the Fund.

Further, in a judgement of May 2014, the Honourable Peshawar High Court (PHC) held that the impugned levy of contribution introduced in the Ordinance through Finance Acts, 1996 and 2009 lacks the essential mandate to be introduced and passed through a Money Bill under the constitution and, hence, the amendments made through the Finance Acts are declared as 'Ultra Vires'.

Through the Finance Act, 2015, the definition of Industrial Establishment is amended to exclude the mutual funds and collective investment schemes. The Management Company is of the view that since the change is brought in the definition, it would be effective from July 01, 2015. Accordingly, the provision for WWF is discontinued from July 01, 2015. However, there is no change in the status of petition pending with the Honorable Sindh High Court (SHC) as mentioned above, therefore, the Fund, as a matter of abundant caution has retained the provision for WWF up to June 30, 2015 amounting to Rs. 9.813 million. Had the provision not been made, the net asset value per unit of the Fund would have been higher by Re. 0.0300 per unit (2015: Re. 0.0537 per unit).

Further, Sindh Workers Welfare Fund (SWWF) Act 2014 enacted in June 2015 requires every Industrial Establishment located in the province of Sindh and having total income of Rs. 500,000 or more, to pay two percent of so much of its total income declared to SWWF. The said Act includes any concern engaged in the Banking or Financial Institution in the definition of "Industrial Undertaking" but does not define Financial Institution. The Management Company, based on the opinion obtained by MUFAP from its advisor who is of the view that Collective Investment Schemes (CIS) are not financial institutions, believes that SWWF is not applicable on the Fund.

#### 13. CONTINGENCIES AND COMMITMENTS

13.1 There were no contingencies and commitments outstanding as at June 30, 2016 and June 30, 2015.

		June 30, 2016	June 30, 2015
14.	NUMBER OF UNITS IN ISSUE Note	Rupe	es in '000
	Total units in issue at the beginning of the year	182,731,960	126,706,000
	Add: units issued during the year	713,601,455	260,374,026
	Add: bonus units issued during the year	1,006,398	-
	Less: units redeemed during the year	(570,249,534)	(204,348,066)
	Total units in issue at the end of the year	327,090,279	182,731,960

14.1 All units carry equal rights and are entitled to dividend and share in the net asset value of the Fund.

### 15. AUDITORS' REMUNERATION

Annual audit fee	220	220
Half yearly review fee	100	100
Other certifications	60	60
Out of pocket expenses	59	68
	439	448

#### 16. TAXATION

The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders. The Management Company has already distributed, through cash, 90% of the Fund's net accounting income earned during the year to its unit holders. Accordingly, no provision in respect of taxation has been made in these financial statements.

The Fund is also exempt from the provision of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

### 17. EARNINGS PER UNIT (EPU)

Earnings per unit has not been disclosed as in the opinion of the management determination of the cumulative weighted average number of outstanding units for calculating EPU is not practicable.

#### 18. TRANSACTIONS WITH CONNECTED PERSONS

- 18.1 Connected person / related parties include the Management Company, its parent and the related subsidiaries of the parent, associated companies / undertakings of the Management Company, its parents and the related subsidiaries, other funds managed by the Management Company, post employment benefit funds of the Management Company, post employment benefit funds of the parent, subsidiaries and its associated undertakings. It also includes Central Depositary Company of Pakistan Limited being the Trustee of the Fund and the directors and key management personnel of the Management Company.
- 18.2 Transactions with connected persons are in the normal course of business, at contracted rates and at the terms determined in accordance with market rates.
- 18.3 Remuneration to the Management Company is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.
- 18.4 Remuneration payable to the Trustee is determined in accordance with the provisions of the Trust Deed.

#### 24. FINANCIAL RISK MANAGEMENT

The Fund's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk.

#### 24.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and the investment guidelines approved by the Investment Committee and regulations laid down by SECP.

Market risk comprises of three types of risks: currency risk, yield / interest rate risk and other price risk.

#### 24.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. At present, the Fund is not exposed to currency risk as its operations are geographically restricted to Pakistan and all transactions are carried out in Pak Rupees.

### 24.1.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates.

### a) Sensitivity analysis for variable rate instruments

Presently, the Fund does not hold any variable rate instrument and is not exposed to cash flow interest rate risk except for balances in profit and loss sharing accounts the interest rate of which ranges between 5% to 6.1% per annum.

In case of 1% increase / decrease in the interest rates on profit and loss sharing accounts with banks, the net income would have increased / decreased by Rs. 17.085 million.

As at June 30, 2016, the Fund holds GoP Ijara Sukuks and Other Sukuks which exposes the Fund to interest rate risk. In case of increase / decrease in the coupon rates through out the year, with all other variables held constant, the income on these sukuks will fluctuate. In case of 100 basis points increase / decrease in the coupon rates through out the year, the net income for the year and the net assets as at June 30, 2016 would have been higher / lower by Rs. 9.254 million.

As at June 30, 2016 the Fund holds balances in saving accounts the interest rate of which in certain circumstances is 5% to 6.1%.

The composition of the Fund's investment portfolio and the MUFAP rates are expected to change over time. Therefore, the sensitivity analysis is not necessarily indicative of the effect on the Fund's net assets due to future movements in interest rates.

Yield / interest rate sensitivity position for the financial instruments recognised on the statement of assets and liabilities is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

Cumulative interest rate sensitivity gap

(116,011) 1,850,452

## b) Sensitivity analysis for fixed rate instruments

The Fund currently does not have any fixed rate instruments that are impacted by market interest rates.

#### 24.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer or factors affecting all similar financial instruments traded in the market. At present, the Fund is not exposed to price risk.

#### 24.2 Credit risk

Credit risk represents the risk of a loss if the counter parties fail to perform as contracted. The Fund's credit risk is primarily attributable to its investments and balances with banks. The Fund does not foresee any credit risk with respect to GoP Ijara Sukuks since these are securities issued by State Bank of Pakistan on behalf of the Government of Pakistan. The credit risk on other financial assets is limited because the counter parties are mainly companies / financial institutions with reasonably high credit ratings. In addition, the internal risk management policies and investment guidelines (approved by Investment Committee) require the Fund to invest in debt securities that have been rated as investment grade by a well known rating agency.

## 24.2.1 The analysis below summarises the credit rating quality of the Fund's financial assets as at June 30, 2016:

#### Balances with banks by rating category

Name of the Bank	Rating Agency	Latest available published rating	Percentage of Bank Balance
Burj Bank Limited	JCR-VIS	BBB+	0.01%
Albaraka Islamic Bank Limited	JCR-VIS	A	0.11%
Dubai Islamic Bank Pakistan Limited	JCR-VIS	A+	0.05%
United Bank Limited	JCR-VIS	AAA	0.04%
Bank Alfalah Limited	PACRA	AA	0.05%
Allied Bank Limited	PACRA	AA+	30.45%
Askari Bank Limited	PACRA	AA+	41.10%
Bank Islami Pakistan Limited	PACRA	A+	28.19%

# Term deposit receipt by rating category

Name of the Bank / Investee Company	Rating Agency	Latest available published rating	Percentage of term deposit receipts
Dubai Islamic Bank Pakistan Limited	JCR-VIS	A+	100.00%

## Sukuks other than GoP Ijara Sukuks by rating category

Name of the issuer/issue date	Rating Agency	Latest available published rating of the instruments	Percentage of Sukkus
K-Electric / March 19, 2014	MUFAP	AA	9.17%
K-Electric / June 17, 2015	MUFAP	AA+	17.33%
Engro Fertilizer / July 9, 2014	MUFAP	A+	5.82%
Engro Fertilizer / May 25, 2015	PACRA	AA-	36.46%

There are no financial assets that are past due or impaired.

#### Concentration of credit risk

Concentration of risk arises when a number of financial instruments or contracts are entered into with the same counterparty, or where a number of counterparties are engaged in similar business activities, or activities in the same geographic region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. The Fund's portfolio of the financial instruments is mainly held with various banks, securities issued by the State Bank of Pakistan on behalf of the Government of Pakistan and certain privately placed sukuks.

### 24.2.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily cash redemptions at the option of unit holders. The Fund's approach to manage liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions without incurring unacceptable losses or risking damage to the Fund's reputation. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily realised and are considered readily realisable.

The Fund has the ability to borrow in the short term to ensure settlements. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund has the ability to withhold daily redemption requests in excess of ten percent of units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

**24.2.3** The table below indicates the Fund's financial liabilities into relevant maturity groupings based on the remaining period at the reporting date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	As at June 30, 2016

#### 25. FAIR VALUE OF FINANCIAL INSTRUMENTS

IFRS 13 "Fair Value Measurement" defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active market are based on the quoted market price at the close of trading on the period end date. The estimated fair value of all other financial assets and liabilities is considered not significantly different from the carrying values as the items are either short-term in nature or periodically repriced.

### Fair value hierarchy

IFRS 13 requires the Fund to classify financial instruments using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: Quoted market prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or the liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Investment of the Fund carried at fair value are categorised as follows:

	As at June 30, 2016				
Assets	Level 1	Level 2	Level 3	Total	
		Rupees	in '000		
Investment in securities - financial assets at fair					
value through profit or loss - held for trading					
- GoP Ijara Sukuks and other Sukuks	-	1,371,477	-	1,371,477	

		As at Jun	200010		
Assets	Level 1	Level 2	Level 3	Total	
	Rupees in '000				
Investment in securities - financial assets at fair		-			
value through profit or loss - held for trading					
- GoP Ijara Sukuks and other Sukuks		593,496	-	593,496	

#### 26. UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. The unit holders of the Fund are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit as of the close of the business day less any back end load, provision for transaction costs and any provision for duty and charge, if applicable. The relevant movements are shown on the statement of movement in unit holders' fund.

The Fund has no restrictions or specific capital requirements on the subscription and redemption of units.

The Fund's objectives when managing capital are to safeguard its ability to continue as a going concern so that it can continue to provide returns for unit holders and to maintain a strong base to meet unexpected losses or opportunities.

In accordance with the risk management policies, the Fund endeavors to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption requests. Such liquidity is augmented by short-term borrowings or disposal of investments, where necessary.

As required under the NBFC Regulations, every open end scheme shall maintain minimum fund size (i.e. net assets of the Fund) of Rs. 100 million at all times during the life of scheme. The Fund has maintained and complied with the requirements of minimum fund size during the year.

#### 27. GENERAL

- **27.1** Figures have been rounded off to the nearest thousand rupees.
- **27.2** Corresponding figures have been rearranged and reclassified, where necessary, for the purpose of better presentation. No significant rearrangement or reclassification were made in these financial statements.

#### 28. DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorised for issue on August 17, 2016 by the Board of Directors of the Management Company.
